GREAT CURLING. GREAT COMPANY.

Grey Cup, Equipment & More!

November 2026

Welcome Back to Deer Lodge Thistle Curling Club!

With the new curling season nearly a month underway, we hope everyone is settling in and enjoying our new ice!

Grey Cup Tickets
If you still have Grey Cup tickets, please return them to Brandon sometime this coming week so everything is ready for next weekend's Grey Cup!

A Little Equipment Care Goes a Long Way
Keeping our ice clean is everyone's responsibility. Please take a moment to check your curling equipment. When was the last time you replaced your gripper, cleaned your shoes, or washed or replaced your broom head?

Our ice crew has already noticed a considerable amount of debris on the ice, much of it coming from dirty equipment. A little attention to your gear makes a big difference for everyone. Please also remember that outdoor shoes are not permitted in the rink area. Thanks for helping us keep our new ice in great shape!

Make Yourself at Home in the Lounge
Before or after your game, join us upstairs in the lounge to catch a sporting event on TV, enjoy a drink, and savour some delicious food from Willy's.

Drink specials are available every day, and we've now added coffee and hot chocolate at the bar. Whether you're staying for a quick visit or settling in to watch the game, there's always a warm welcome waiting upstairs!

Great Curling Is Coming to Our Club – We Need Your Help!

Mark your calendars for two upcoming events:

- MB Blue Cross Curling Club Regionals: November 26–29
- Bunge and RME Regional Qualifiers: December 4–6

These events bring some excellent curling to our club and provide a great opportunity for members to get involved and support the sport.

We're looking for a few volunteers to lend a hand during both events. You don't need to commit to the entire event—even a couple of hours can make a real difference!

If you have some time to spare, we'd love to have you join the team and help make these events a success. It's a great way to support your club, meet fellow members, and enjoy some outstanding curling!
