## Strathcona Cup!

It was a day of fellowship and exciting curling at DLCC on Sunday, January 29 when the club hosted Scottish teams as part of the 2023 Strathcona Cup. DLCC teams swept the Scots, winning all four games by a combined 26-19 score, and helping Canada win the West Tour by five points (710-705). Canada won the overall tour (there was also a Central Tour and an Eastern Tour) by 137 points.

Thanks to the teams who participated, volunteers, bar staff, and kitchen staff for making this such a successful event!

The DLCC cannot operate without the help of volunteers, and as the saying goes - "*many hands makes light work*". If you are interested in helping out and giving back to the club, even if it's for a very small time commitment, we would love to hear from you.
