## DLCC-Thistle Merger!

A major boost for the club came this week with the announcement that the DLCC and Thistle Curling Club will be amalgamating! Both clubs have about 600 members, and with Thistle curlers bringing leagues over to Deer Lodge and joining existing leagues at the club, there will be a significant increase in activity at DLCC in 2023-24 and beyond. The Thistle is closing after this curling season.

Please visit the [Latest News](#) section on the DLCC website to learn more about the merger. Here you'll find a letter to the members, a press release, and media stories.

The DLCC cannot operate without the help of volunteers, and as the saying goes - "*many hands makes light work*". If you are interested in helping out and giving back to the club, even if it's for a very small time commitment, we would love to hear from you.
