## **Volunteer Crew**

Thank you to the crew of volunteers who came out to help clean-up behind the curling club a couple of weeks ago. There were a few small trees removed, a lot of over-grown weeds, fallen logs, broken plywood, and garbage that had to be cleaned up before five yards of gravel moved in to re-grade the ground against the building's north wall. It hasn't looked this good in years!

## Bar Staff

As the season approaches, we are looking for a couple of more bar staff to help round-out the team. If you or anyone you know is looking for part-time work this winter, please email Brandon at [DLCCIceMaker@gmail.com](mailto:DLCCIceMaker@gmail.com).

The DLCC cannot operate without the help of volunteers, and as the saying goes - "*many hands makes light work*". If you are interested in helping out and giving back to the club, even if it's for a very small time commitment, we would love to hear from you.
